

## CHILDREN'S PLAN

The Greenside Dental Care Plan is an easy way to spread the cost of routine dental care with regular monthly payments, guaranteeing that you keep your dental health in check at regular intervals and minimising the need for treatment. There are numerous benefits included with the plan. Please note in order to join the Children's dental plan you must be dentally fit, please see charges.

### The Benefits Of The Greenside Dental Care Plan Include:

- Free assessment of emergencies and dental pain with any temporary treatment required, carried out at the practice within normal working hours.
- All treatment planning for future dental needs including study models.
- 10% reduction off any fillings.
- 10% reduction off extractions.
- 25% discount off all sundry items e.g. Toothbrushes.
- Advanced booking and courtesy reminder for examination appointments.
- Routine scale if needed.
- All deciduous treatment included.

If you have any queries, please ask any member of staff.

Dr Chris Woods.
