Adapting to Change

You may have noticed our refreshed branding, which we believe gives the practice a whole new vibe. We've also fully renovated our bathrooms, added a fresh coat of paint throughout, and installed new flooring. Additionally, our previously outdated reception area has been transformed into a modern, more functional, and welcoming space.

In addition, we've upgraded to a new and improved computer system and launched a refreshed website, enhancing both our efficiency and your overall experience.

Introducing the All-New Greenside Dental Care

At Greenside Dental Care, we believe that the heart of our success lies in the exceptional teamwork, dedication to patient-centered care, and commitment to continuous growth that defines our practice.

Our team consistently exemplifies our core values: collaboration, compassion, and excellence. Together, we ensure every patient receives top-quality care in a supportive, efficient environment. Through ongoing education and professional development, we stay ahead of the latest advancements in dental treatments, offering innovative and up-to-date care. But our commitment goes beyond patient care. We are deeply involved in our community, we actively support local churches, football, and rugby clubs, using these partnerships to strengthen our community ties and fund practice improvements.

In addition to our recent renovations, we are proud to announce that Katherine Kivalu, our long-standing dental associate, has joined the team as a joint owner of Greenside Dental Care. This new chapter solidifies our commitment to the values and goals that make us a family-run business, dedicated to providing exceptional care to our patients.

We are also proud to share that our hard work and dedication have already been recognised—we've won two prestigious awards: Award of Excellence and Family-Run Dental Business of the Year 2025 and was a finalist in the Dentistry awards 2025!

Thank you for being part of our journey. We look forward to continuing to serve you with the same passion and care that has helped us achieve these milestones!
