Your Local Dental Clinic - Caring for your smile

We've got lots of lovely updates to share with you this month – including some new faces you'll be seeing around the practice!

We're happy to let you know that we currently have NHS appointments available for children.

If your child is due a check-up or hasn't been seen in a while, now is the perfect time to get them booked in. Early prevention sets the foundation for a lifetime of healthy smiles!

Meet Misbah – our new dentist

We're so excited to welcome Dr Misbah Khan to the team! Misbah qualified from the University of Leeds in 2021 and has been working as a dentist in Yorkshire ever since. She has a real passion for composite bonding and aesthetic dentistry, and she's currently working towards a Postgraduate Diploma in Aesthetic and Restorative Dentistry (busy lady!).

She loves helping patients look after their smiles and is a big believer in prevention and patient education. The best bit of her job? Getting to know her patients and building lasting relationships.

Misbah will be seeing all our new NHS children's appointments – so your little ones may be meeting her very soon!

A Warm Welcome To Amy

We've also had Amy join us full-time as a dental nurse. She's recently qualified from LDI and is settling brilliantly into practice life.

Our new website is live!

We've given our website a fresh new look – take a peek and let us know what you think! It's easier than ever to find information about treatments and even book appointments online.

New Patient Offer is to Continue!

For just £100, new patients will receive:

- Full new patient exam
- Complimentary hygiene visit (worth £65)
- Free consultation with our Treatment Coordinator

Please share this with friends or family who might be looking for a new dentist – we'd love to welcome them to Greenside Dental Care.

Congratulations Joanna!

Our lovely Joanna has now officially registered with the General Dental Council as a dental nurse – a big milestone and one we're all super proud of her for. Well done, Joanna!
